**NARRATIVE:**

David Bearden is a documented gang member with an extensive adult criminal history that began at the age of 20. His convictions include multiple possession of firearm by felon, robbery, burglary, possession of a controlled substance, possession of a controlled substance for sale, marijuana possession while driving and failing to report. He has served multiple state prison terms, the longest being a 4 year term for possession of controlled substance for sale. Bearden was released from state prison to the supervision of the Los Angeles County Probation Department on March 6, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2014 after he absconded from post release community supervision (PRCS). Bearden qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substance with prior convictions is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
